

Program

3rd European Round Table Meeting (ERTM)

June, 17th 2016

“Current developments in cancer care: including the patient perspective”

9:00 – 9:05 am	<u>Welcome and opening remarks</u> Prof. Dr. Olaf Ortmann, Board member of the German Cancer Society Dr. Julie Torode, Deputy CEO, Director Advocacy & Programmes, UICC	
9:05 – 9:20 am	Summary of the 2. ERTM	Prof. Dr. O. Ortmann
9:20 – 12:40 am	<u>Keynote presentations</u>	
9:20 – 10:00 am	Is it true – consideration of patients’ needs is fundamental for quality improvement in cancer care?	Prof. F. de Lorenzo, ECPC, EU
10:00 – 10:40 am	Policy setting to integrate patients’ perspectives into the cancer care processes	Prof. Sakari Karjalainen, ECL, EU
10:40 – 11:20 am	Patient reported results of clinical research – how can this be implemented and is it beneficial?	Prof. Dr. M. Hallek, Germany
11:20 – 12:00 am	Decision making about the treatment pathway in partnership with the patient – is it a centre value and do benchmarks exist?	D. H.-U. Haerry, EATG, EU
12:00 – 12:40 am	What is needed to implement a patient feedback mechanism in the cancer care structures of a nation?	Prof. U. Ringborgh, Sweden
12:40 – 1:10 pm	Networking Lunch	

1:10 – 2:20 pm

concurrent interactive session

Analyzing how the patient needs and patients' voice can be integrated sufficiently into cancer care

Main aspects for specific focus in workgroups – introduction

Dr. Ulrike Helbig

- How much transparency is needed in patient care, how can it be implemented?

- How does the cancer care system react on gain of knowledge, how fast can standardized reactions be implemented on basis of patient needs?

- How does a benchmark for decision making in partnership with the patient need to be defined?

Work groups

2:20 – 2:50 pm

Presentation workgroups and Discussion

“Primary actions and EU support for network development in oncologic care with a patient-specific and patient-oriented focus in Europe”

All participants

2:50 – 3:00 pm

Concluding remarks

Prof. Dr. Olaf Ortmann
