

UICC Fellowship Programme Chairs and Review Committee members 2016

The UICC has recruited a community of over 800 expert international reviewers who generously contribute their expertise to ensure the high level peer review of applications whilst taking into account the international cross-cultural nature of the global UICC Fellowships programme.

UICC warmly thanks the fellowships **Programme Chairs** and **Review Committee members** for their committed support and leadership on which our fellowships depend:

Professor W. Nicol Keith, PhD

Professor of Molecular Oncology (Experimental Therapeutics) at the Institute of Cancer Sciences, Glasgow University, UK.
Group Leader: Telomerase Therapeutics Group.

Professor Keith chairs the Yamagiwa-Yoshida Memorial International study grants review committee and co-chairs the UICC International Cancer Technology Transfer Fellowships Programme (ICRETT) (now referred to as UICC Technical Fellowships).

Professor Robert Jones, MA, MBChB, PhD, FRCP

Professor of Clinical Cancer Research at the Institute of Cancer Sciences, Glasgow University, UK,
Medical Oncologist at the University of Glasgow, Senior Lecturer in Clinical Pharmacology, Honorary Consultant Cancer Research UK - Beatson Laboratories.

Professor Jones serves as Co-Chair of the UICC International Cancer Technology Transfer Fellowships Programme (ICRETT) (now referred to as UICC Technical Fellowships).

UICC would like to thank the following international review committees who work in conjunction with the Fellowships Programme Chairs to support us in delivering training relevant to gaps in skills and knowledge:
